

The school has seen tremendous improvement in sporting activities across the board. This was necessitated by upgrading of available facilities and the introduction of junior policies and the availing of junior grounds and equipment for infants. The school introduced the following sports and clubs: TABLE TENNIS, JUNIOR SOCCER, JUNIOR NETBALL, BALLET DANCE, KARATE, TABLE TENNIS, HANDBALL. The success of the teams was made possible by the dedicated coaches of various disciplines who worked very hard to build the teams from grassroots level to the much celebrated stardom of our teams across the board.
